DETERMINATION THROBS SUCCESS!

Failure will never overtake you if your determination to succeed is strong enough. No matter how obscure the path is determination always takes to the destination. Our greatest weakness lies in giving up, the most certain way to succeed is always to try just one more time!

Success Story of Ms. Kiran Kanojia

Kiran kanojia inspired all our cadets by sharing her extremely motivating life journey. She was a simple girl from Faridabad who completed her graduation and landed a job offer at infosys. It was a day before her 25th birthday, 24TH DECEMBER 2011 and it turned out to be the life changing day. She was travelling to her home town by a train, when 2 boys snached her backpack, she didn't let go of the bag and was dragged onto the floor towards the exit door. Her leg got entangled into the footrest of the coach, immediately she was taken to the nearby hospitals and was said, doctors had no choice but to amputate her left leg below the knee. It felt like all her dreams were taken away from her. Doctors informed her that "YOU ARE NOT GOING TO RUN" and that was the crucial moment when her perception towards life changed and said "I AM GOING TO RUN". From that moment she trained her self physically and mentally fit for running. She joined dhakshin rehab amputees , got herself the running blades and started to chase her dreams without giving up and now she was known as "INDIA'S FIRST FEMALE BLADE RUNNER"

When one of our cadets asked her to state a single sentence about her success she told "YOU CAN DO IT, when I can do it everyone can do it".
