### Awareness on Mother Language

NSS cell of College of Management, KL Deemed to be University has conducted campaign on “**Awareness on Mother Language**” on 11-09-2018 in a village adopted by the KLEF, Vaddeswaram. As a part of this, NSS volunteers, NSS in charges are involved. On the day of the event, all the NSS volunteers and NSS faculty incharge from the college started at 9:30Am in bus with some awareness banners and reached the Vaddeswaram by 10:00Am. After reaching the place all the volunteers divided into groups and started door to door campaign to the people of village.

We carry out awareness raising campaigns on the importance of the development and use of mother tongue-based instruction. Research confirms that children learn best in their mother tongue as a prelude to and complement of bilingual and multilingual education. Studies show that six to eight years of education in a language are necessary to develop the level of literacy and verbal proficiency required for academic achievement in secondary school.
