Report on Swachhata Hi Seva

NSS volunteers of Unit2 respectively, representing department of ECE, KL Deemed to be University had Conducted “Swachhata Hi Seva” Event on 20th September 2018 in Prathuru village adopted by NSS Cell. On the day of the event, all the NSS volunteers started from the college at 9.30 am by bus and reached the village by 9.50 am. The main theme of the NSS Cell is to create social awareness among students. After reaching the village, volunteers met Village Sarpanch and explained the Sarpanch about the awareness program to the villagers on awareness and myths about various diseases caused by mosquitoes and precautions to be taken for reducing the *spread* of mosquitoes. The Sarpanch of the village sent their Health Department staff with students to cot create houses in the village to create awareness to the villagers. Since many mosquitos’ breed in stagnated water, reduction can be as simple as emptying water from containers and old tires or bowls around the home. Volunteers divided into batches and went to every house in the village and explained how to keep their surroundings clean and tidy.

All the volunteers actively took part in this event. The volunteers sprinkled “Abate” Mosquito Control Product for killing larvae on the stagnant water and puddles in the surroundings and a group of volunteers explained villagers to clean their surrounding daily. A group of volunteers explained preventive measures to the villagers to protect themselves from mosquitoes and some explained about the role of mosquitoes causing hazardous diseases. All the volunteers lead their way towards the success of the event. The awareness program was done successfully by the volunteers.

Event Photos:

NSS Volunteers bleach and oil balls spread inside the drains for mosquitos Repelling on 20-09-2018
