### **Transformation of the Primary Education System**

NSS cell of College of Management, KL Deemed to be University has conducted campaign on “**Transformation of the Primary Education System**” on 08-08-2018 in a village adopted by the KLEF, **Ippatam**. As a part of this, NSS volunteers, NSS in charges are involved. On the day of the event, all the NSS volunteers and NSS faculty in charge from the college started at 9:30Am in bus with some awareness banners and reached the Ippatam by 10:00Am.

KLEF organized a program on 08-08-2018 in Ippatam to know the reasons why the rural education fails to achieve the standard in primary education. Around 100 volunteers and faculty incharges participated in door to door campaign and survey. The main concern in rural schools suffers from less committed teachers, lack of proper text books and monetary problem. These educational surveys are the eye opener for our government to take necessary steps to ensure the basic primary education for rural development.
