Naveen , Mr. N. Rajesh chandan are involved.

On the day of the event, all the 100 NSS volunteers along with the program officers started from the college at 10.00am on the bus and reached the Peddapalem by 10.30am.

Date of Event	:06-09-2019
Name of Event	GIS Mapping, Dengue Awareness, Road Rehabilitation, Plantation and Bala Swecha
Venue	:Peddapalem.
No. of Participants	:Students: 91 Staff:02

SummaryoftheEvent

After reaching the respective village, all the volunteers are again divided into groups by the faculty in-charges to make the task easier and so as to ensure that the volunteers covered most of the village premises.

1. DengueAwareness

All the volunteers actively took part in this. Some of them went to people and inter acting with them and making them aware of dengue and their effects. All the volunteers divide the tasks among themselves without any hesitation and every one lead their way towards the success of the event.

3. Plantation

After reaching the villages, volunteers met the panchayat member and identified the places to do Plantation activity. Two to Three places are identified for the event. Some of our Volunteers had visited every house and distributed saplings and made them aware of importance of trees and adverse effect of deforestation. Most of the villagers showed a great interest in planting trees and, they gave an assurance that they will take care of them.

4. GIS Mapping

We have mapped the main centres and places like temples, ponds, schools, Anganwadi centres, water plants, ration depots, milk booths, churches and shops of the village. All the locations were uploaded in street maps. For this our students used MAPS.ME app. Due to this program, the information about the important places of that village became available. So those who visit the place for the first time can easily identify the addresses in the village. This information is also helpful for surveys etc...

5. BalaSwecha

Volunteers went to school and given a presentation regarding computer usage and its importance. They interacted with students and identified their problems in several aspects.
