Village Survey

We the members of NSS team from “BCA” has conducted camp in ‘Srungarapuram’ and collected data from the village. What are the issues they are facing in the village and what are the necessities needed to be implemented in the village.

- We have collected the data around 100-120 houses in the village, their approach towards us is very good and warm welcoming.
- We have created a Google form to collect the information. Our team has divided into four groups and went to each and every house in the village and our respected Unit-09 Programme officer Mr.L.Jaga Jeevan Rao spoke to village president and asked details of the village, camp went very good each and every one participated very actively in camp.

NSS Volunteers collect the data to Villagers at Srungarapuram

The reason to conduct this camp is to know how many people live there and what are the problems they are facing around them, what are the things they need there and lots of problems.

About our group

No. of volunteers attended:-100

Type of collecting data: - Google forms

After collecting data and analyzing the data some of the major issues sorted out are

1. Medical emergencies
2. Road
3. Drainage

These are the common issues that were faced by them every day.

Our team of NSS has given hope to them. That we are there to solve your village problems
