Not to use plastic and keep their premises clean and hygiene at chirravuru on 02-10-2019

In Recent Times plastic usage has been increasing abruptly, so we decided to create awareness on it. Plastic bags are cheap and light weight so people are interested in using these plastic bags rather than cloth bags which are costlier than plastic.

So, we decided to create awareness that the environment is much more valuable than anything else. As a part of Swachh Bharat we collected all the plastic materials that are thrown across the roads.

NSS Volunteers Removing Plastic Materials at Chirravuru

All the volunteers were divided into groups by the program officer with a faculty along with them and went in four directions of Chirravuru, to ensure that the volunteers covered most of the village premises.
