Report on Plantation

“If A Tree Dies, Plantation other One in Its Place”, Read the Slogan of the KLEF NSS Unit- 2 and so did their actions. Every volunteer has the innate desire to contribute in as many ways as possible for the betterment of nature. With lack of sanitation and decreasing number of trees and with pollution taking over, the NSS crusaders contributed in the ways that they could with NSS visiting prathuru village together, where they were divided into two teams.

Oneoftheteamsplantedsaplingswhereastheotherteamsweredividedasagroup of four, each group creating awareness about the importance of sanitation in the village. They went around to each house, explained the need for sanitation, talked about the prevailing drainage problems in the village and also spoke about the preventive measures from keeping the sewers blocked.

Around 20 saplings were planted which included various varieties, with each volunteer contributing in planting it. With the place echoing serenity, it was a jubilant moment and a wonderful experience for each participant.
