Everyone wants to be successful but they do not get the right guidance to make the right decision at the right time.

Awareness on Career Guidance to Govt. High School at Pedapalem

If they have a pre-planned guidance for your career then it can make a lot of difference. Today, awareness about career guidance is still very low among the younger generation. The culture of going to a counselor is so important in our country. So we decided to give the right guidance to the upcoming citizen

In the ZPH School of our adopted village we conducted the career guidance programme. To choose the right path we need right guidance also. The best part of career guidance is that it is very objective as well as strategic. We also conducted some quizzes among the students to boost up their talent.
