A Report on Anemia Blood Test

Conducted on 31-12-2021 at Gundimeda & Mellampudi

Objective:

The objective of the Anemia Blood Test conducted on 31-12-2021 at Gundimeda and Mellampudi was to assess and raise awareness about the prevalence of anemia within these communities. The initiative aimed to provide accessible health screenings to identify individuals at risk of anemia, especially among women and children, and to educate participants about the causes, symptoms, and preventive measures of the condition. By conducting these tests and sharing information, the goal was to promote early detection, prompt treatment, and overall health improvement within the targeted populations.

Description:

On 31-12-2021, Team KLEF BT NSS Unit 6 organized an "Anemia Blood Test" following thorough preparations led by Mr. G. Koteshwara Reddy, Programme Coordinator of KLEF NSS Cell, in collaboration with Mr. P. Suresh from CEA and the Student Advisory team. Departing from the college at 9:30 AM, the team conducted the tests at a local school with permission from the Director. The event was meticulously coordinated, ensuring smooth execution, and was supervised by Dr. K. Giridhar, HOD Biotechnology. Mr. G. Koteshwara Reddy and Mr. P. Suresh led the initiative, underscoring their commitment to community health and welfare through this essential health screening initiative.

Outcome:

significant outcomes in promoting health awareness and early detection of anemia among students and staff. By providing accessible screening at a local school, the event identified individuals at risk, particularly focusing on women and children. The initiative aimed to educate participants about anemia's causes, symptoms, and preventive measures, empowering them to take proactive steps towards improving their health. The well-coordinated efforts of the NSS team, under the leadership of Mr. G. Koteshwara Reddy and Mr. P. Suresh, ensured a successful implementation, reinforcing the university's commitment to community health and well-being.

Impact on Society:

Public health by raising awareness about anemia and providing crucial health screenings to the community. By identifying and addressing health concerns early, especially among students and staff, the event aimed to improve overall well-being and promote a healthier society.
