### **A Report on Swachata Hi Seva in Public Premises**

#### **Conducted at Prathuru on 06-01-2022**

#### **Objective:**

The objective of the "Swachata Hi Seva" initiative conducted at Prathuru on 06-01-2022 was to promote cleanliness and hygiene practices in public premises. Organized by the community, the event aimed to raise awareness about the importance of maintaining cleanliness in public spaces, emphasizing the role of individual responsibility in keeping the environment clean. Participants engaged in activities such as waste collection, cleaning, and awareness sessions to instill a sense of civic duty and foster a clean and healthy living environment for all residents. The initiative also sought to inspire ongoing community efforts towards sustainable cleanliness practices and environmental stewardship.

#### **Description:**

On 06-01-2022, NSS volunteers from KLEF noticed the inadequate cleanliness of the temple premises during the "Azadi Ka Amrit Mahotsav India @75" event and promptly informed Mr. P. Srikanth Reddy, KLEF NSS Programme Coordinator. Responding swiftly, Mr. Reddy approved and organized a cleaning initiative. Starting at 10:00 AM and arriving at Prathuru by 10:30 AM, the volunteers divided into groups—one cleaning the Shivalayam Temple and the other the Ramalayam Temple. The Village Panchayat had already provided necessary tools for the cleanup, where volunteers meticulously cleaned and tidied the temple premises, removing unwanted plants and grass. Concurrently, another group conducted an awareness program on the Omicron variant. The event was overseen by Dr. KRS Prasad, Dr. Habibulla Khan, and Dr. K. Ravindranath, with leadership from Mr. P. Srikanth Reddy, Mr. P. Suresh, and Mr. GVKP Chandrashekar from CEA. The NSS team expressed gratitude to all volunteers and Prathuru Village Temple officials for their support in making the event a success.

#### **Outcome:**

The volunteers successfully cleaned and beautified the temple premises, enhancing hygiene and aesthetics for worshippers and visitors. Their efforts in removing unwanted vegetation and ensuring cleanliness contributed to a more pleasant environment. Concurrently, the awareness program on the Omicron variant educated the community, fostering understanding and proactive measures against the virus. The event not only improved temple cleanliness but also promoted health awareness, showcasing the NSS team's commitment to community service and enhancing community engagement and collaboration.

#### **Impact on Society:**

The cleanliness and awareness initiative led by KLEF NSS at Prathuru's temples demonstrated community responsibility and enhanced local hygiene standards, fostering a cleaner and healthier environment for residents and worshippers alike. By addressing both physical upkeep and health education, the event promoted civic engagement and raised awareness about public health issues, contributing positively to societal well-being.
