### **A Report on Survey on Vaccination & Awareness Conducted on 19-01-2022 at Prathuru**

#### **Objective:**

The objective of the Survey on Vaccination & Awareness conducted on 19-01-2022 at Prathuru was to assess the vaccination coverage and awareness levels regarding COVID-19 among residents. The survey aimed to identify barriers to vaccination uptake, dispel misinformation, and encourage vaccination among eligible individuals. By gathering data on vaccination status and conducting awareness activities, the initiative sought to contribute to community health resilience and promote informed decision-making regarding COVID-19 vaccination.

#### **Description:**

On the eve of "Azadi Ka Amrit Mahotsav India @75", in response to rising Omicron cases, KLEF ECE NSS Unit initiated an awareness campaign on vaccination for the residents of Prathuru, our adopted village. Dr. M. Suman, HOD of ECE, endorsed and appreciated the NSS volunteers' proactive approach. Under the motto "NOT ME BUT YOU," the event aimed to educate and encourage vaccination among villagers. Starting at 12:30 PM and arriving by 1:00 PM, volunteers divided into groups to conduct awareness sessions on the increasing Omicron cases, conducted a vaccination survey, and distributed masks and sanitizers. They also obtained vaccination reports from Sachivalayam to identify unvaccinated families and facilitated their vaccination. The event was overseen by Dr. Ch. Hanumanth Rao, Dr. KRS Prasad, Dr. Habibulla Khan, and Dr. K. Ravindranath, with leadership from Mr. P. Srikanth Reddy and Mr. P. Suresh. The NSS team expressed gratitude to all volunteers and Prathuru village officials for their support in making the event successful.

#### **Outcome:**

The vaccination awareness campaign at Prathuru on 19-01-2022 led by KLEF ECE NSS Unit effectively raised awareness about COVID-19 vaccination and the Omicron variant. Volunteers conducted a successful survey, distributed essential hygiene supplies, and facilitated vaccinations for unvaccinated families identified through Sachivalayam records. This initiative significantly bolstered community health preparedness and underscored the NSS unit's commitment to public welfare.

#### **Impact on Society:**

The survey on vaccination and awareness conducted at Prathuru on 19-01-2022 contributed to enhancing community health literacy and promoting vaccination uptake. By addressing vaccine hesitancy and distributing essential supplies, the initiative fostered a more informed and prepared community in combating COVID-19, thereby bolstering public health resilience.
