As a part of our special camp, we the team organized an event on **“Campaign on AIDS-Free Society” on 23-02-2022.**

The end AIDS India campaign is touching and improving thousands of lives with the help of people like you. Together we are proud to support the vision of an AIDS-free India. The campaign raises awareness to prevent the spread of HIV, extend access to care by ensuring availability of health services for people living with HIV and empower those vulnerable and affected by the epidemic to live with dignity in an environment without stigma and discrimination. In order to end AIDS, we need to make progress not just in providing access to health services but also across a wide spectrum of rights. The campaign will contribute to efforts to end AIDS in India by 2030. We make this event successful using the following slogans

- Open your eyes before AIDS closes it
- Get the facts. Get tested. Get involved
- Prevention is better than cure
- Be an AID not an AID Spatient
- End the Dread... Stop the spread
