Report on Plantation Gap Filling Conducted on 30-09-2022 at Prathuru

Date of the Event :30-09-2022
Name of the Event :Plantation Gap filling Program
Venue :Prathuru
No. of Participants :Students:97,Staff:04
No. of Beneficiaries :250

Objective:

The objective of the Plantation Gap Filling event conducted on 30-09-2022 in Prathuru is to replenish and enhance the local ecosystem by filling gaps in existing plantation areas. Through this initiative, the aim is to promote biodiversity, improve air quality, and contribute to the overall environmental health of the region. By engaging community members in tree planting activities and raising awareness about the importance of environmental conservation, the program seeks to create a sustainable and greener future for Prathuru and its inhabitants.

Description:

On 30-09-2022, the Department of Bachelor of Arts (B.A., IAS) National Service Scheme (NSS) at KL Deemed to be University organized a "Plantation Gap Filling" program in Prathuru Village. Starting from the KLEF Campus at 9:30 AM, we reached the village by 9:45 AM. Divided into two groups, students commenced the awareness program at 10:00 AM. The local children eagerly joined us in planting saplings, demonstrating their commitment to nurturing them. Under the guidance of Dr. Ch. Hanumanth Rao, Dr. K.R.S. Prasad, and Dr. Habibullah Khan, the event was deemed highly successful. Mr. P. Srikanth Reddy, Program Coordinator of KLEF NSS, initiated and strongly supported the idea, while the program was led by Mr. P. Srikanth Reddy, along with Mr. P. Suresh and Mr. G. Chandrasekhar, Coordinators.

Outcome:

The "Plantation Gap Filling" program conducted by KL Deemed to be University's Department of Bachelor of Arts (B.A., IAS) National Service Scheme (NSS) in Prathuru Village yielded significant outcomes. The initiative successfully promoted tree plantation and environmental awareness among villagers, instilling a sense of responsibility towards nurturing saplings and caring for the environment. The active involvement of children in the plantation process not only enhanced their understanding of environmental conservation but also inspired them to become stewards of the environment from a young age. By planting saplings, the program contributed to the greening and beautification of Prathuru Village, enhancing its ecological sustainability. The effective execution of the awareness program by students, under the guidance of faculty members, facilitated the dissemination of valuable information and fostered a culture of environmental stewardship within the community. Overall, the program demonstrated the commitment of the NSS team to creating a sustainable and eco-friendly environment in Prathuru Village.

Impact on society :

The "Plantation Gap Filling" program instilled a sense of environmental responsibility among villagers, particularly the youth, fostering a greener and more sustainable community ethos in Prathuru Village. Through active participation and awareness initiatives, the event contributed to the beautification of the village while promoting long-term environmental conservation efforts.

TRNSALATION OF ABOVENEWS:

Environmental protection is the responsibility of all people.

Tadepalli (Times News) :It is not the responsibility of any one person to protect the environment, it is only if all the people work together. KL Deemed University BA IAS Department Head Dr. K. S. Venkateswara Kumar advised the villagers. Dr.Anil Kumar, Deputy Head of the Department stated that NSS volunteers of Varsity IAS section planted saplings in Pratur village under the Corporation on Friday to celebrate Mahatma Gandhi's birth anniversary and then distributed the saplings from house to house. Srikanth Reddy, NSS Program Coordinator, said that the oxygen we breathe comes from trees. After that, nutritional food was distributed to the children in the local Anganwadi center
