A Focus on Digital India

Report on Digital India Conducted on 13-10-

2022 at ChirravuruVillage

Details of the Event:

Date of the Event :13-10-2022

Name of the Event: Contemporary Technological Issues Digital India

Venue : Chirravuru

No. of Participants: Students: 95, Staff: 02

No. of Beneficiaries: 153

Objective:

The objective of the "Contemporary Technological Issues Digital India" Program conducted by KL Deemed to be University's CSE NSS Unit-07 at Chirravuru Village was to raise awareness about the Digital India campaign. Volunteers, alongside faculty members and mentors, began the program by cleaning the village premises, emphasizing the importance of digital cleanliness alongside physical cleanliness. The main goal was to educate villagers about the government's initiatives to bolster online infrastructure, expand internet access, and foster digital literacy and empowerment within the community.

Description:

On 13-10-2022, KL Deemed to be University's Computer Science Engineering (CSE) National Service Scheme (NSS) Unit-07 organized a "Contemporary Technological Issues Digital India" Program at Chirravuru Village. Volunteers, accompanied by faculty members and mentors, commenced the program at 9:15 AM from the KLEF Campus and arrived at Chirravuru by 10:00 AM. The initiative began with cleaning the premises of Chirravuru, our adopted village, followed by an awareness program aimed at educating villagers about Digital India. Digital India, launched by the Government of India, aims to provide electronic access to government services, improve online infrastructure, and enhance internet connectivity to digitally empower the nation. This initiative includes plans to connect rural areas with high-speed internet networks and focuses on three core components: developing secure digital infrastructure, delivering government services digitally, and promoting universal digital literacy. Launched on 1st July 2015 by Prime Minister Narendra Modi, Digital India serves as a catalyst for other government schemes such as Bharat Net and Make in India.

Outcome:

The "Contemporary Technological Issues Digital India" Program conducted by KL Deemed to be University's CSE NSS Unit-07 at Chirravuru Village yielded significant outcomes. Firstly, the program raised awareness among villagers about the Digital India campaign, highlighting its objectives and benefits. Secondly, the initiative facilitated the cleaning of Chirravuru premises, contributing to the improvement of local cleanliness and hygiene. Moreover, the event encouraged community members to embrace digital technology by emphasizing the importance of digital literacy and access to government services online. Overall, the program successfully promoted digital empowerment and cleanliness within the village, fostering a more technologically savvy and hygienic community.

Impact on Society:

The "Contemporary Technological Issues Digital India" Program had a profound impact on Chirravuru Village, fostering awareness about digital empowerment and promoting cleanliness through community engagement. By educating villagers about the Digital India campaign and initiating a cleanup drive, the event contributed to the village's technological advancement and improved sanitation practices, enhancing overall quality of life.
