### Orders of the Vice-Chancellor dt. 26-10-2022

#### CIRCULAR

Sub: Conduction of Conservation of Biodiversity on 28-10-2022 at Chirravuru Village – Reg.

Ref: Letter dt. 25-10-2022 from Mr. P.Srikanth Reddy, Program Coordinator, KLEF NSS Cell and forwarded by Dean (Student Affairs).

\*\*\*

This is to inform that, National Service Scheme (NSS) of KLEF will be organizing the "Conservation of Biodiversity" on 28-10-2022 at Chirravuru Village.

**Event** : Conservation of Biodiversity  
**Place** : Chirravuru Village  
**Date** : 28-10-2022  
**Timings** : 9:30 am to 01:30pm

All the NSS Unit-06 students should participate in the event, Buses start from NSS Cell Indoor Stadium.

For Further information regarding the event contact Mr. P.Srikanth Reddy, KLEF NSS Programme Coordinator, Mobile No: 8466011222, or Mr. P.Suresh, Coordinator, NSS, Mobile No: 9493171719.

### Conservation of Biodiversity Conducted on 28-10-2022 in Chirravuru Village

#### Details of the Event:

**Name of the Event** :Conservation of Biodiversity

**Date of the Event** :28-10-2022

**Venue** :Chirravuru

**No. of Participants** :Students:95Faculty,Staff:05

**No. of Beneficiaries**:120

**Objective:** The objective of the "Conservation of Biodiversity" awareness program conducted by KLEF College of Pharmacy NSS Unit-06 in Chirravuru Village was to educate and create awareness among the students of ZPH School about the importance of biodiversity conservation. The program aimed to highlight the current state of biodiversity loss and the significant role played by unsustainable human activities. By emphasizing the need to protect and preserve Earth's ecosystems, the program aimed to install a sense of responsibility and involvement among the student community in environmental decision-making. The program was designed to address the lack of awareness regarding the significance of biodiversity conservation and promote the active participation of young individuals in environmental protection efforts.

#### Description:

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) College of Pharmacy, National Service Scheme (NSS), conducted an awareness program on "Conservation of Biodiversity" on 28-10-2022 at ZPH School, Chirravuru Village, Tadepalli Mandal, Guntur District, Andhra Pradesh. During this event, the KLEF Pharmacy NSS Unit-06 volunteers engaged with ZPH School students, explaining the significance of biodiversity—the variety of life forms on Earth. They highlighted that our planet is currently experiencing the sixth mass extinction, the most severe since the dinosaurs' extinction 65 million years ago. The Earth's environment and climate are undergoing drastic changes due to unsustainable development, leading to the depletion of natural resources. Alarmingly, 99 percent of threatened species face

risks from human activities. Habitat loss, climate change, and forest fragmentation, primarily driven by human development, are the main causes of this decline. Many ecosystems are nearing critical points of depletion or irreversible change. By 2050, with current consumption and production patterns and a projected population of 9.6 billion, we would need the resources of three planets to sustain our lifestyles.

Environmental depletion represents an irreplaceable loss for the youth. The program emphasized the involvement of the student community in environmental protection and development. The participation and support of faculty members, including Dr. R. Supriya, Mr. P. Suresh, Mr. G. Chandra Sekhar, and Dr. M. Bapuji, were crucial for the program's success, receiving appreciation from Dr. G. Chakravarthi, Dr. Ch. Hanumantha Rao, and Mr. P. Srikanth Reddy.

**Outcome:**

The "Conservation of Biodiversity" awareness program conducted by KL Deemed to be University College of Pharmacy's NSS Unit-06 at ZPH School in Chirravuru Village successfully educated students on the critical importance of biodiversity and the pressing issue of species extinction due to human activities. The program effectively conveyed the urgency of protecting Earth's ecosystems, fostering a sense of responsibility among the students towards environmental conservation. The interactive sessions and discussions not only increased awareness but also inspired students to actively participate in environmental protection efforts. The event's success was bolstered by the dedicated involvement of faculty members and received commendation from university officials, highlighting its impact on both the student community and the broader goal of sustainable development.

**Impact on society:** The "Conservation of Biodiversity" awareness program had a significant impact on society by fostering environmental consciousness among young students. It equipped them with knowledge about the urgent need to protect biodiversity and the detrimental effects of human activities on ecosystems. By inspiring these students to take an active role in environmental conservation, the program contributed to building a more environmentally responsible generation.

**EventPhotos:**

Students create awareness among the students of ZPH School about the importance of bio diversity Conservation on 28/10/22
