A Report on Campaign on Plastic -Plastic-Free Future

Details of the Event

Name of the Event: Plastic-Free Future

Date of the Event :15-09-2022

Venue :Prathuru

No. of Participants :Students: 97 Faculty,Staff:03

Objective

The objective of the "Campaign on Plastic" conducted by the Electronics and Communication Engineering (ECE) department in association with the National Service Scheme (NSS) Unit-02 at KL Deemed to be University was to raise awareness about the negative impact of plastic usage and wastage. The program aimed to encourage the reduction of plastic usage in daily life and promote more sustainable alternatives.

Description

The "Campaign on Plastic" program took place on 15-09-2022 in the adopted village of Prathuru. The KLEF ECE NSS Unit-02, with the guidance of Dr. M. Suman, the Head of the ECE department, organized an awareness program to address the issue of excessive plastic usage. The program included various activities to promote the importance of reducing plastic waste.

The volunteers, under the leadership of Mr. P. Srikanth Reddy as the program coordinator, arrived at the village by 9:45 am after making the necessary arrangements. They divided into groups and conducted an awareness program in different areas of the village. The volunteers engaged with the villagers, spreading information about the negative impact of plastic, and suggesting alternative practices to reduce plastic usage.

The event received active participation from the volunteers, and the awareness program was successful in conveying the message about reducing plastic usage. The program concluded at 1:00 pm, and the volunteers returned to the university.

Dr. Ch. HanumanthRao, the Dean of Student Affairs, presided over the event. Dr. K.R.S. Prasad and Dr. Habibulla Khan, the Advisors of Student Affairs, appreciated the idea and efforts of the volunteers. Mr. P. Srikanth Reddy, as the program coordinator, played a crucial role in the success of the event. The coordination of the event was carried out by Mr. P.Suresh and Mr. G.ChandraSekhar, who were the Coordinators of Community Engagement Activities (CEA).

Outcome:

The "Campaign on Plastic" program conducted on September 15, 2022, in Prathuru Village yielded several positive outcomes. The awareness activities effectively educated the villagers about the harmful impacts of excessive plastic usage and promoted sustainable alternatives. As a result, the community began adopting practices to reduce plastic waste, such as using reusable bags and containers. The program also fostered a greater sense of environmental responsibility among the villagers and encouraged ongoing community efforts to maintain a cleaner, greener village. The volunteers' engagement and the supportive presence of university officials underscored the importance of environmental stewardship, leaving a lasting impact on the village's approach to plastic usage and waste management.

Impact on Society:

The "Campaign on Plastic" program in Prathuru Village had a significant societal impact. It heightened environmental awareness among the villagers, leading to a reduction in plastic usage and promoting sustainable practices. This shift towards eco-friendly habits not only improved the local environment but also fostered a sense of community responsibility and collective action for a cleaner village. The program's success demonstrated the power of educational initiatives in driving social change and inspired other communities to adopt similar practices for environmental conservation.
