

ERP -Student Course Registration Process:

Student Course Registration : This menu option is available for **Students** Only.

To complete the student registration, student login to new ERP portal with their valid login credentials. After login student should click on Academic Registration → Student Course Registration.

Now Student can view the courses and sections in dropdown menus. Student can select the sections against the courses on their own choice as mentioned in the following screen shot.

Student can view the timetable on top of the selection of each course and section.

The screenshot displays the KLU ERP Student Course Registration interface. The browser address bar shows the URL: <https://newerp.kluniversity.in/index.php?r=courseregistration%2Fstudentcourseregistration%2Findex>. The page title is "KLU ERP" and the user is logged out (190340086). A sidebar menu on the left includes options like Home, Academia Settings, Academic Registration (selected), Admission Management, Attendance register, Committee Management, Courses, Hostel Management, HR Management, Infrastructure Related, Inventory Management, Library Management, Profile, Program mappings, Programs, Reports / Dashboard, and Time Table Management. The main content area shows a table with 8 rows of course and section information. A green "Save" button is visible at the top of the table. Below the table, it indicates "Credits Count -13", "MANDATORY-3", and "PE1-".
