OBJECTIVES

The objectives of organizing International Women's Day celebrations in the university under the theme "Embrace Equity" are to promote and celebrate gender equity in all aspects of university life. These celebrations aim to raise awareness about the importance of gender equality, empower women students and faculty, and inspire collective action towards dismantling gender-based discrimination and biases. The university seeks to provide a platform for discussions, workshops, and activities that foster a culture of inclusivity, where all individuals, regardless of their gender, have equal opportunities for education, leadership, and personal development. By embracing equity, the university aims to create an environment where diversity is valued and where gender equity is not only acknowledged but actively championed in academic and social spheres.
