Dr. G. Chakravathi – Principal – College of Pharmacy

Mr. SK. Kalisha Vali – YRC Programme Coordinator

Pharmacy Department – Professors and YRC UNIT incharges

No. of Beneficiaries: 85

No. of students participated: 85

EVENT TITLE: AWARENESS PROGRAM ON DIABETES

OBJECTIVE

The primary objective of the program was to raise awareness about diabetes, its causes, and its management, particularly focusing on supporting family members in dealing with this chronic condition. The event aimed to educate and empower volunteers and participants with knowledge about diabetes prevention and care.

SUMMARY

On November 14, 2019, the Youth Red Cross (YRC) of K L College of Pharmacy, affiliated with the Koneru Lakshmaiah Education Foundation, organized an awareness program titled "Diabetes: Protect your family." This event was held in collaboration with Dr. Mohan's Diabetes Centre to commemorate "World Diabetes Day." Here's a concise summary of the program:

- The primary objective of the event was to raise awareness about diabetes and its impact on families.
- Dr. Saritha Kakani, an expert with an MBBS and MD in Diabetology from Dr. Mohan's Diabetes Centre, delivered an expert talk on the theme. She provided insights into the pathophysiology of diabetes and discussed various factors, including genetics, diet, and lifestyle choices, that can lead to diabetes. Dr. Kakani emphasized the importance of supporting family members in maintaining a high quality of life while managing diabetes. She also addressed different therapy techniques and dosages related to diabetes management.
- The program witnessed active participation, with approximately 200 volunteers from K L College of Pharmacy attending the lecture.
- The event was efficiently coordinated by key individuals, including Youth Red Cross Professor Incharge Dr. Rajasekhar Reddy Alavala, Program Officer of the College Dr. A. Ankarao, YRC Coordinator Dr. S. Venkateswarlu, and faculty members such as Dr. P. Rajeswari, Dr. Keerthana Divya, and Mr. B. Nagaraju.
- The efforts of YRC volunteers and the successful arrangements made for the event received recognition and appreciation from university authorities. This included Dean-Students Affairs, Dr. Habibulla Khan, and Associate Dean, Dr. Ravindranath, who acknowledged the event's success.
- Professor Incharge of Hobby Club, Dr. R. Subhakar Raju, also appreciated the event's contributions and achievements.

- The Youth Red Cross (YRC) of K L College of Pharmacy expressed its gratitude to the college's Principal, Prof. Chakravarthi, and the University's Registrar, Dr. R.R.L Kantam, for providing the necessary facilities to ensure the program's success.

In summary, the awareness program effectively addressed the importance of diabetes awareness and family support, benefiting both volunteers and participants while garnering recognition and praise from academic and administrative authorities.

OUTCOME

- ✓ Increased knowledge about diabetes and its risk factors.
- ✓ Improved self-management skills, such as blood glucose monitoring, diet, and exercise.
- ✓ Reduced stigma associated with diabetes.
- ✓ Increased access to healthcare services.
- ✓ Decreased rates of diabetes complications.
