**Objective:**

To raise awareness on Immunization the KLEF\_YRC team conducted the awareness campaign at KLEF on 13<sup>th</sup> April 2024.

**Description:**

World Immunization Awareness Day, observed annually on November 10th, aims to highlight the critical role of vaccines in preventing infectious diseases and protecting public health. By promoting timely vaccination, this global initiative underscores the importance of safeguarding individuals and communities from preventable illnesses. Through raising awareness, advocating for equitable access to immunization, and celebrating the collective efforts in advancing vaccination programs, this day strives to ensure a healthier and safer future for all.

**Procedure of the event:**

Students of KLEF, i.e K L College of Pharmacy conducted an event to CLR team at K L University conducted by association with YRC on 13.04.24. students of K L College of Pharmacy have participated in it. The event started at 1:00 PM. The students of the K L College of Pharmacy have given a basic awareness on immunization. The students gave detailed descriptions of immunization and concerned complications of it. The students also shared the precautionary measures to be taken by them.

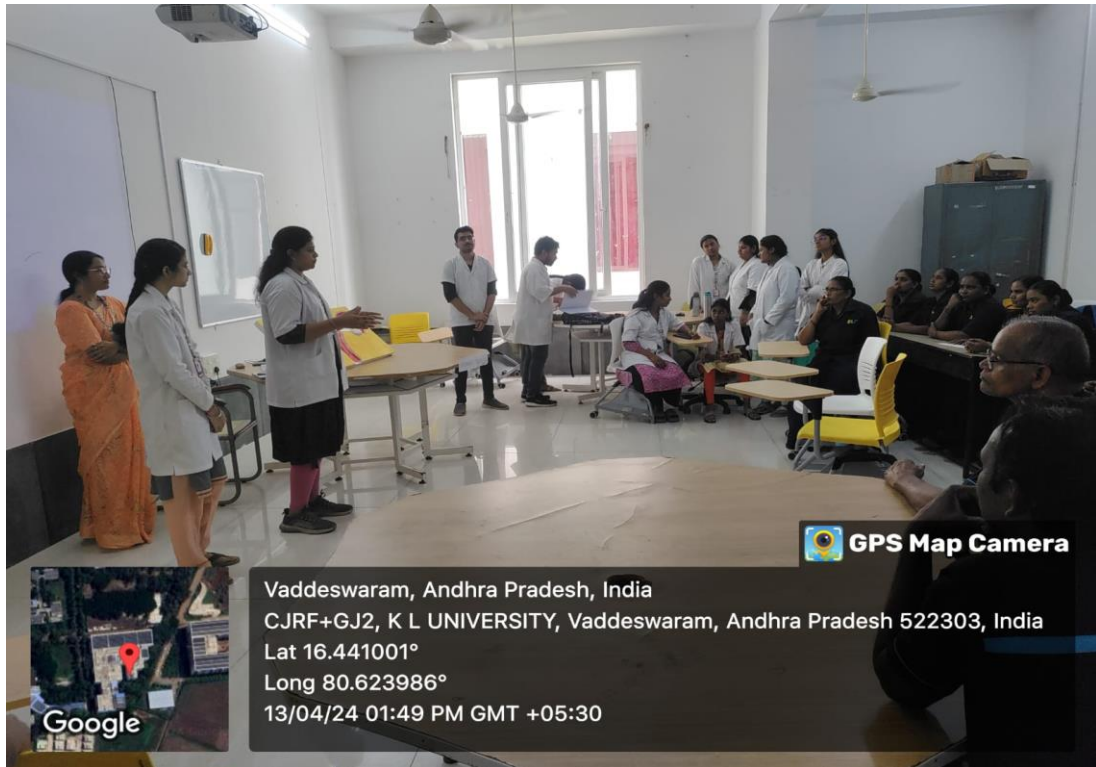

In R & D Department at R-308, Pharm.D I & II Year students have given brief about immune system to CLR team in Telugu. The summary of the event includes awareness about immunization. They concluded the event at 2:00 PM.

**Outcomes of the event:**

The outcome of the event is that students were given detailed notes on the Immunization by following precautionary measures.

As we conclude this World Immunization Awareness event, we are filled with hope and renewed commitment to a healthier future. We have celebrated the remarkable progress made in vaccine science and the countless lives saved through immunization. We have also acknowledged the challenges that persist, particularly in ensuring equitable access to vaccines worldwide. Let us pledge to continue our efforts in advocating for immunization, supporting vaccination programs, and dispelling vaccine hesitancy. By working together, we can build a world where everyone, regardless of their background, has the opportunity to live a long, healthy, and fulfilling life.
