Objective:

In order to promote Immunization Awareness, the KLEF_NSS team conducted Immunization Awareness at Marusumalli Thanda on 08th September 2023. The boys and girls were actively involved in the awareness program.

Description:

An Immunization Awareness Program was conducted to educate the community about the importance of timely and complete immunization. The program included informative presentations by healthcare professionals, interactive sessions with parents and caregivers, and the distribution of immunization schedules and guidelines. Key topics covered were the benefits of immunization, common vaccine-preventable diseases, myths and misconceptions about vaccines, and the importance of adhering to recommended immunization schedules. The program aimed to increase immunization rates, reduce vaccine hesitancy, and promote public health.

Procedure of the Event:

The KLEF_YRC team conducted Immunization Awareness.

1. They commenced the event by explaining the importance and purpose of Immunization Awareness.
2. Organized by the YRC volunteers from KL University.
3. Human chains were formed at various points, symbolizing unity on Immunization Awareness.
4. Engaging activities, especially for the younger generation, were organized to educate about Immunity Awareness.
5. The students were divided into different teams, and each team along with 2 faculty.
- 6.
7. Members with the support of local Asha worker, went to the houses of villagers and explained.
- 8.
9. About the importance of the vaccines and immunization. Most of the houses in the village were.
10. Visited by YRC volunteers and informed about the upcoming immunization drive.

Outcome of the event:

1. The Immunization Awareness conducted successfully among the students and participants.
2. The KLEF_YRC team effectively organized the program, ensuring that the main objective of Immunization Awareness was achieved.
3. The volunteers demonstrated professionalism and friendliness throughout the event.
4. People in the KLEF actively participated and expressed interest in Immunization Awareness.
